Installation Instructions

❯ Step 1

Mount the attachment of cable couplers to the ceiling with sufficient load-carrying capacity and tighten them with screws.
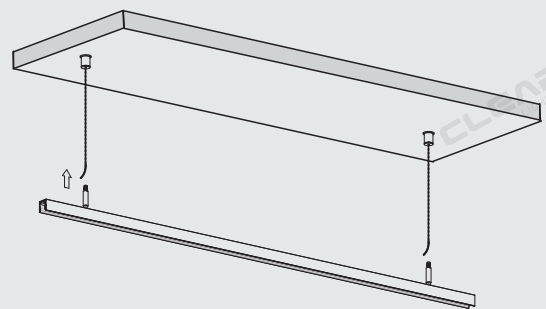

(labels: Ceiling, Attachment)

❯ Step 2

Thread the stainless steel wire through the male screw of cable couplers and then connect to the mounted attachment of cable couplers.

(label: Stainless Steel Wire)

❯ Step 3

Insert the screw into the serrated aluminum profile to lock with the cable gripper sliding from the bottom slot of serrated aluminum profile.
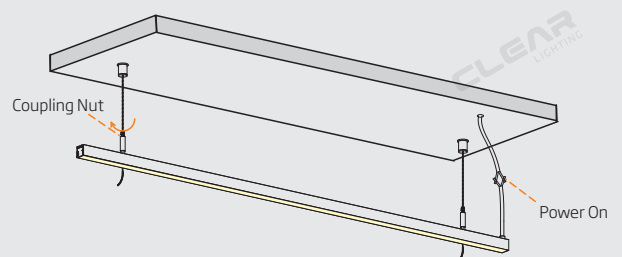

(labels: Round-head Screw, Serrated Aluminum Profile, Cable Gripper)

❯ Step 4

Thread the stainless steel wire through the bushing of cable gripper.

❯ Step 5

Fix the light into the aluminum profile.

❯ Step 6

Adjust the length of stainless steel wires to the desired height. Tighten the coupling nut and cut or roll up the excess stainless steel wires after the power-on test.
